## Private Flood Insurance

# Offer your clients EZ Flood®

When it comes to flood insurance, today's property owners need options. In light of recent flood map changes and extreme weather events, your clients may need more coverage than what is available in the standard policy offered by the National Flood Insurance Program (NFIP).

Designed for both residential properties in higher-risk and coastal areas where mandatory flood insurance purchase requirements apply and residential properties in lower-risk, non-mandatory flood zones.

### EZ Flood coverage features

- ✓ Customized coverage limits and deductible options
- ✓ Up to \$750,000 building and \$200,000 contents coverage
- ✓ Option for \$5,000 in Additional Living Expenses plus \$500 in food spoilage coverage
- ✓ Option for \$1,000 swimming pool clean-up protection
- ✓ Catastrophic ground collapse coverage
- ✓ Geographic eligibility and minimum coverage limits vary by flood zone
